

West Contra Costa Youth Soccer League
P.O. Box 216
Pinole, CA 94564

Subject: WCCYSL and Socceroo Soccer

To our members:

There has been some confusion among members of the public concerning activities of a company using the name Socceroo Soccer. They are currently soliciting for soccer clinics at Stewart School and Collins Elementary in Pinole. Their website erroneously lists them as a recreational soccer program in West Contra Costa County.

I wish to eliminate any confusion regarding this organization and our own. Socceroo Soccer is a privately owned, for-profit business run by an individual trainer uninvolved in WCCYSL. The activities offered are soccer training sessions that cost each participant over \$40 an hour. This is not a recreational league or competitive soccer club sanctioned by any US or California soccer organization.

WCCYSL is a non-profit league with over 1,000 youth members. Participation in our full fall season running August through November with practices and weekly games (45 – 60 hours of organized participation) costs less than four hours of instruction from Socceroo. Our spring league (20-40 hours of organized participation) costs less than two hours of instruction from Socceroo.

WCCYSL is owned by its members and operated for their benefit. 100% of your membership fees go to activities that benefit your child such as rent and maintain fields, buy equipment, provide insurance, pay trainers and support our referee program.

Socceroo Soccer is in no way associated with West Contra Costa Youth Soccer League or any of its affiliated organizations. WCCYSL is in no way responsible for, involved with, or in control of Socceroo Soccer or any of its personnel or activities.

Kenneth Cole – President WCCYSL
