## Parent's Handbook

## Mission/ Vision

The purpose of West Contra Costa Youth Soccer League (WCCYSL) shall be to develop, promote and administer the game of soccer among youth without regard to race, religion, color, creed, sex, national origin or playing ability. WCCYSL is committed to providing the highest quality game and playing environment at all levels. This includes providing education for the coaches, maintaining equipment/ fields and supporting all players. WCCYSL believes appropriate sideline behavior is crucial to a positive playing environment and the enjoyment of the game. Referees and field marshals play an important role in the success of the league, and are fully supported in their roles.

The guiding coaching principles are:

- To develop a love of the game in our players
- To strive to succeed on the field, with a balance between the "win" and sportsmanship
- For all players, coaches and spectators to respect the referees and the game
- To develop a sense of confidence in our players by helping them "master" the skills of the game

This handbook contains information about many of our league rules, why we have them and who enforces them. It is intended to give you as a parent some insight into the complexity of the league and the philosophy behind its structure and operation.

Dear Parents:

On behalf of the Board Members of West Contra Costa Youth Soccer League (WCCYSL), I welcome you to the most popular sport in the world and now the most popular youth sport in the United States.

WCCYSL is operated entirely by volunteers. We are able to offer this program to your child because parents and other concerned people in the community volunteer their time as coaches, referees, field crew, board members, and in many other various support activities. Local schools, municipalities, and businesses support the league with fields and donations. They recognize that youth soccer represents a safe, healthy, positive recreational opportunity desperately needed in the community. We're all concerned about the proper physical and mental development of our children. WCCYSL rules are based on these concerns and intended to foster a positive, encouraging sports environment in which each player can develop physically and emotionally.

The most important thing we provide is fun. Fun is made up of many different things: the joy of play, the camaraderie of friends, the fulfillment that comes from commitment to a team, the self esteem that comes from effort and improvement and the gratification of accomplishment.

Soccer requires a team effort while encouraging individual excellence. The best trained team can lose to the inspiration and creativity of a single player given a moment of opportunity. The most gifted player may never get that moment of opportunity without the support and play of his team.

Please consider the commitment required in team sports. I ask that you make every effort to get to practices and games. Honor the commitment and effort of the other players on the team; the commitment of the coaches, of the referees and all the others who work to make this program possible. Support your player - If she's not at practice, she won't improve. If he's not at the game, he can't excel. We want your family to get the greatest benefit possible from this program.

We need you. There are many things that have to happen for the league to function. In these increasingly difficult times, we count on our members to help us keep the kids on the fields. If you can spare a couple of hours, please contact us about volunteering. It's a way to make a difference in your community right here, right now.

## General Information

West Contra Costa Youth Soccer League is affiliated with the California Youth Soccer Association (CYSA) and US Club Soccer. Our geographic boundaries extend from the towns of Crockett and Port Costa, south to Richmond. We are a nonprofit organization offering Fall and Spring Soccer Programs to youths aged 4 through 18. WCCYSL is a 501(c)(3) corporation certified by the IRS and State of California. All donations are tax deductible.

In 1978, WCCYSL was formed to provide the youth in this area the opportunity to play soccer. At that time, the League consisted of six teams with a total of 60 players. Our average annual registration is now over 1,000 players.

We never know until registration is complete how many players will sign up for any particular age group. We will make every effort to give EVERY child who signs up with WCCYSL an opportunity to play soccer. Our ability to do this is completely dependent upon the number of volunteers we get. We need assistance from parents. At registration, please indicate the area in which you would like to assist: e.g., as coach, assistant coach, team coordinator, referee, field setup and takedown, publicity, special events, or any of the other areas where help is needed.

## Registration

Our primary registration takes place in March and April when parents sign up their children for the Fall Season. Registration consists of filling out a registration form, paying the fee, and submitting the necessary proof of identification.

- Every player must have a copy of their birth certificate on file with the league. New players are required to provide a copy at their initial registration. We will keep this copy on file as long as the player continues to participate in WCCYSL.
- Every player must provide a photo in which the player's face is roughly the size of a nickel. A new photo is required at each successive Fall registration.

Early registration for our Spring League shall occur at the end of the Fall Season in November and another registration in the following January or February.

Check our website: [www.wccysl.com](http://www.wccysl.com) for information on current fees or call the league hotline, 510-758-5288 for more info.

## Recreational (In-League) and Competitive Teams

WCCYSL provides two basic levels of play:

- CYSA Division 4 (Recreational Level) is open to all applicants, and all registered players are guaranteed to play at least one half of every game contingent upon the availability of volunteer coaches. These teams play primary within WCCYSL.
- CYSA Division 1 & 3 (Competitive Play) is open to all applicants. Players must compete to win a place on a team. There is no guarantee that a particular player will play in any game or for any minimum time. These teams travel and compete outside WCCYSL against other teams and leagues in the County.

## Refund Policy

Requests for refunds must be made in writing to the Executive Board of Directors. An email request made to any member of the Executive Board shall suffice.

A full refund will be granted where the league is unable to place a child on a team roster in accordance with the rules for team formation. No request is necessary – unplaced registrants will be notified by the league.

Prior to August 1<sup>st</sup> for competitive players or September 1<sup>st</sup> for recreational players, refunds will be granted routinely for cause only. If player paperwork has been submitted to District 4, a \$20 fee will be withheld. Acceptable cause is limited to:

- player injury or health reasons – doctor's statement may be requested for verification.
- Moving out of WCCYSL service area.

Prior to August 1<sup>st</sup> for competitive players or September 1<sup>st</sup> for recreational players, refunds without cause are subject to approval by a majority vote of the Board of Directors with the following limitations:

- All no-cause refunds will have \$50 withheld to cover paid fees and processing.
- If player paperwork is submitted to District 4, no-cause refunds to competitive players are subject to an additional \$50 processing fee.

Refunds after commencement of play (August 1<sup>st</sup> or September 1<sup>st</sup>) may be obtained for extraordinary circumstances only and require approval by 2/3 majority of the Board of Directors. All such refunds will be prorated.

No refunds shall be given for spring season.

## Volunteer Vouchers

Each coach will be given up to three volunteer vouchers each worth \$10 WCCYSL credit. These vouchers are intended for the Head Coach, Assistant Coach and Team Manager as recognition of their service to the league. In addition, vouchers may be given by Board Members to any volunteer assisting the league in any capacity requested through the Director of Volunteers. Vouchers can be used for credit at registration the following season or to purchase league apparel items.

## Soccer Seasons

Practice for the Fall Season begins in early August, with the League play running from September through mid November. There is also a Spring Season from March through June for players aged 4 to 13. Winter play may be available through other CYSA affiliates. Ask your Director of Teams for more info.

## Age Group Determination

Your playing group is determined by your child's age at the beginning of fall season. Playing groups are U6, U8, U10, U12, U14, U16 and U19. If your child's age is four or five on or by July 31<sup>st</sup> of the year, he/she will play in the U6 group for the fall season. If six or seven by July 31<sup>st</sup>, he/she will play in the U8 group, etc. All spring players play in the age group in which they played, or would have played, the preceding fall.

Your child may not play below their appropriate age group. There are no exceptions. A child who shows advanced skills and abilities may be allowed to play up to an older age group with approval from the Board.

## Formation of Teams

U6 and U8 teams are formed by the Director of Teams and the League Registrar. They group the players according to schools, neighborhoods and/or cities and try to balance the teams as fairly as possible. U10, U12, and U14 Div 4 teams are formed by the League Registrar, Director of Teams and the coaches. The players are grouped according to city and a modified blind draw is used. Div 1 and 3 teams are formed by the Competitive Director and coaches based on tryouts that occur in March and April. Tryouts are announced in the newsletter, website and by voicemail. Any player of a qualifying age (U10 and up) is encouraged to tryout for the competitive program. All players interested in playing on a Div 1 or 3 team MUST attend at least one of the try out sessions.

**Due to the time and effort needed to form teams, you are not allowed to choose a coach when you register. However, you may stipulate without cause that you do not want to be placed with a specific coach.**

### Member Communications

The website at www.wccysl.com, league news mailings, and CallingPost (automated voicemails) are the Board of Directors' ways to keep the League well informed. In them you will get:

U10 players placed on a competitive team will be assessed an additional \$90 competitive fee and U12+ players an additional \$140 which will be collected by the Competitive Director when the team is formed. Competitive players may be required to pay additional fees based on level of play and training desired by the team parents. Be sure to discuss these fees with your prospective coach if considering competitive play.

Please contact the Executive Board if you need help with fee payments or would like scholarship info. All such requests are kept confidential.

### League Finances

WCCYSL is a non-profit corporation formed under the laws of the State of California. The money to run the league comes from you, via registration fees and fund raising activities, along with some donations from local businesses. Over the last several years, approximately 98% of our cash income has come from registration fees. The balance of our income comes from our fundraising, contributions, and interest income.

Your money is used exclusively to fund league activities. The following represents the average portion of your basic registration fee that goes toward various league expenses.

- CYSA membership and league registration costs (17%)
- Fields – rentals, maintenance and setup (10%)
- Equipment – balls, trophies, goals, storage (12%)
- Referees (12%)
- Development – player and coach training (16%)
- Volunteer Support – vouchers, gifts (4%)
- Events – Opening Day, All Star Games (2%)
- Communications (6%)
- Rent, insurance, taxes & affiliation fees (17%)
- Supplies and other (4%)

The additional fees for Div 1 and Div 3 play are managed separately and pay for additional playing fees outside WCCYSL, field rentals, enhanced training and team participation in one tournament and a state level tournament. These expenses are incurred only by Div. 1 and 3 players.

## Equipment

Required items your child must have to play soccer include:

- Uniform - Recreational players U6 thru U10 shall purchase a reversible blue/white jersey with league logo on the front and number on the back and plain black shorts. Check with your coach or on our website for details about the stores that sell uniforms. Uniforms for U12 and older are available through the league Apparel Coordinator (See Board listing on page 29.)
- Soccer shoes (Cleats) - MUST be worn at ALL practices and games; the shoes should be sturdy with vinyl or leather tops (not nylon) to protect the feet. Rubber or plastic cleats should provide for enough traction to change direction and make sudden starts and stops. No toe cleats (football/ baseball) are allowed for safety reasons.
- Shin guards - MUST be worn at ALL practices and games. These must be the appropriate size and quality for the player.
- Socks - Should be knee length, heavy duty and must be worn over the shin guard for lower-leg protection. It is suggested the player purchase practice socks as well as game day socks. Most teams have the team coordinator buy these all in the same color, so check with that person before you purchase these for the game.
- Soccer ball - U-6 and U-8 use a Size 3, U-10 and U-12 use a Size 4, and U-14 and up use a Size 5.

Optional equipment for your player includes:

- Sweatshirts and sweatpants – stay warm in cold weather while standing on the sidelines during games and after practices.
- T-shirts - a white one and a dark colored one for scrimmages and practice games.
- Towels - to wipe off dirt and mud after practices and games. before the players get in the family car.
- Gym bags – easier transport of equipment and keeps wet or muddy gear from messing up the car.

We encourage the purchase of league apparel with the WCCYSL logo. All apparel sales provide a small profit to the league and promote WCCYSL in the community. While appreciated, no such purchases are required for participation in the league.

**Be sure to write your child's name on all equipment for easy ID.**

## Coaches

Every year we need volunteer coaches to make the league work. Many begin with, "I'll do it, but I don't know much about soccer!" Most find that you don't need a soccer background to be a coach. If you have a willingness to learn and enjoy kids, it's great fun! We provide CYSA licensed coaching clinics at no charge. This training gives most new-to-soccer coaches the basics to run a practice. In addition, the league contracts with professional high-level soccer organizations to provide training for both coaches and players. This training is structured to provide the knowledge and skills necessary for all participants to grow in the game. The league also maintains a free library of soccer training and coaching DVDs which are available to all of the coaching staff.

We ask for your understanding and your support as we grow in soccer together. Your child's soccer coach will make mistakes. With understanding, support and communication, most situations can be addressed in a fair and timely manner. We encourage you to get to know your child's coach and help out whenever possible. Year after year, the most successful teams are the ones with the highest parent involvement.

Coaches are responsible for following "Coaches Code of Conduct" at all times. They must maintain their behavior as role models showing leadership and good sportsmanship. Violations of the "Coaches Code of Conduct" will be referred to the Disciplinary Committee. Continued inappropriate behavior can result in suspension from the League.

### Coach's Responsibilities

- Attend the League Coaches' clinic and meetings
- Contact each child on his/her roster by August 1 for Fall Season
- Hold a team meeting with the parents, establish open, two-way communications, request help through assistant coach(es) and a team coordinator, and provide a team roster to all parents.
- Establish a practice schedule to begin on or after August 1 (League recommends once a week for U6, twice a week for U8 and up)
- Try to have at least two adults at each practice (in case of injury)
- Assure the first-aid kit and medical releases (registration forms) are at all practices and games. **This is mandatory.**
- Learn, teach, and abide by the Laws of the Game and WCCYSL Modified Rules of Play
- Play each child at least half the game and in various field positions
- Enforce the practice of sportsmanship by all team members, their parents and other spectators

- Care for the League's equipment and the community's fields
- Advise parents of canceled practices or games.
- Remain after practice until all the children have been picked up by their parent or guardian.
- Encourage and support other teams' players as they would want other coaches to encourage their players

### **Player Discipline by Coach**

It would be unrealistic to expect all children to be on their best behavior all the time. However, continuous, serious misbehavior will not be tolerated; the safety of all players and an orderly encouraging practice and game environment is a fundamental expectation of every member. Minor infractions may be disciplined in an appropriate, consistent manner. Serious infractions could lead to loss of playing time in future games. If a player is having trouble maintaining proper behavior at practice, the coach has the right to require that a parent stay for the entire practice. If the problems persist, the Director of Teams should be contacted by the coach or the parents, and the child could be suspended from further participation.

### **Dissatisfaction with Child's Coach**

Talk to your child's coach and explain your concerns; chances are that other parents have the same concerns. Should you be unable to resolve a problem, contact your Director of Teams or the Executive Board regarding your issue.

### **Responsibilities of Parents and Players**

Soccer is a team sport and WCCYSL is a volunteer organization. Things work better if everyone cooperates and abides by certain expectations. Here are a few expectations of players and parents to make the season run more smoothly:

Players are expected to:

- Treat each other with respect; that is, no fighting, hitting, pushing, foul language, throwing rocks, dirt or other objects at each other.
- Follow the coach's directions to the best of their ability at practices and games
- Do their best at each practice and game to support their team.

Parents are expected to:

- Get their players to practices and games on time and pick them up on time.
- Demonstrate good sportsmanship at all times.
- Support their child's coach and other team volunteers.
- Do your fair share of volunteer work for the league.
- Support the League in the community at during fundraising.

### **Referees, Team Coordinators, and Field Coordinators**

If you aren't ready to take on the considerable obligations required of a coach, consider positions like referee, team coordinator, assistant coach, or field coordinator. The time commitment is less and you are still contributing to your child's soccer program.

Our referees are all United States Soccer Federation (USSF) licensed. After a 18-hour class on the soccer laws, referee candidates must score 75 or better on a 100-question test. The class and uniform fees are eligible for reimbursement by the League. WCCYSL pays referees per game at a rate set annually by the Board and dependent on age group. Contact the Director of Referees if you are interested. This is an excellent opportunity for teenage soccer players. They can earn money and give something back to their soccer program at the same time. Please visit [www.wccysl.com](http://www.wccysl.com) – Referee's page for more information.

Team coordinators help the coach with "administrative items:" assigning responsibility for team refreshments (snack schedule), helping with pictures, coordinating rides, team party, etc. Don't wait for your coach to ask -- VOLUNTEER!

Assistant Coaches are needed for each team. Every coach needs help. You might start here and give yourself a promotion to Head Coach next season. Take a coaching clinic now and prepare for the future.

Field coordinators are assigned a specific field and are paid for their service at the end of the season. The coordinators will arrange for volunteers to serve on field crews as needed for setup and takedown, which includes painting the field, moving the goals, attaching nets, and placing corner flags. Contact the Director of Fields if interested.

It's possible to do more than one thing. Many of our coaches are also referees. All of our Board members appreciate help. The Publicity Director needs more hands for labeling, we always need field marshalls and the list goes on. . .

## **Paying Volunteers**

Other leagues have tried using only volunteers for referees and field setup. They had many problems with no-shows, poor officiating and unprepared fields. We are pleased with the results of our system. WCCYSL is recognized for one of the top Referee programs in the Bay Area. We have implemented the "pay" method for field setup, with the same success we have had with our referees.

## **Safety**

Your child's safety before, during, and after practices and games depends on three groups of people: you, team officials (coaches and coordinators), and your child. It is your responsibility as a parent/guardian to provide transportation for your child to and from practices, insure your child is dressed per league requirements in clothing appropriate for the weather, and to make sure the coach knows of any alternate arrangements for pick-up ahead of time.

It is the coaches' responsibility to see that the children warm up and cool down properly, practice with proper equipment, and do not wear jewelry (earrings must be removed, not taped) or watches while playing. It is their responsibility to provide first aid as needed, accompany a child (along with his/her medical release) to the hospital if necessary, notify parent/guardian of discipline issues and to create an atmosphere of good sportsmanship and teamwork.

It is your child's responsibility to report to the coach anytime he/she is injured, to initiate and do warm-up exercises when arriving late for practice, to drink some, but not too much water at break or halftime, and NEVER initiate violent contact with other players.

NEVER leave your child at a practice or game field without being absolutely positive a coach or team coordinator is there and aware of your child's arrival. The practice could have been changed to a different time or field, or canceled. These cases are very rare, but have occurred.

## **Injury to Player**

At the referee's discretion, play is stopped until the injured child can leave the field or is able to continue playing. Parents are not allowed on the playing field. Coaches may only step onto the field with the permission of the referee.

## **Medical Care and Insurance Claims**

Proper warm-up and coaching directives help prevent these types of injuries from happening, but there are still a number that occur. Injuries requiring medical care will be covered by CYSA insurance as a secondary carrier, after your own insurance as the primary. There is a \$100 deductible. Each coach has an insurance claim request form in his CYSA manual. The form is also available at [www.cysanorth.org](http://www.cysanorth.org).

## **Sportsmanship**

Youth soccer provides opportunities for players to have fun and to learn good sportsmanship, self-reliance, and teamwork. At WCCYSL, participation and self-improvement are emphasized and WINNING IS SECONDARY. This philosophy was developed by the United States Youth Soccer Association (USYSA) and is endorsed by the California Youth Soccer Association (CYSA) and WCCYSL. To encourage sportsmanship, CYSA has developed:

### **Commandments for Parents**

- Emphasize enjoyment and fun!
- Praise effort as well as improvement.
- Avoid heckling, jeering or distracting players.
- Applaud positive performance by either team.
- Appreciate a good play – no matter who makes it.
- Always encourage your child to play by the rules.
- Respect the judgment and strategy of the coach.
- Relax and enjoy the game whether your team wins or not.
- Attempt to understand and be informed of the rules.
- Avoid criticizing players, coaches or referees for the loss of the game.

### **Commandments for Players**

- Treat opponents with respect. Be a good sport!
- Control your temper at all times.
- Play hard, but play within the rules.
- How you play is far more important than winning or losing.
- Where the rules apply, try to understand them and stick to them.
- Play for the "fun of it", not just to please your parents or coach.
- Win without boasting, lose without excuses and never quit.
- Respect officials and accept their decisions without argument.
- Always remember it is a privilege to represent CYSA and your community.

Please discuss these with your children. We also expect our coaches and spectators to behave in a sportsmanlike manner. Our Rules of Play state that "...spectators shall not make profane or derogatory remarks or gestures, dissent from referees' decisions, or incite disruptive behavior." Our policies state that each coach is responsible for the behavior of those on his/her sidelines. Coaches should instruct the parents in proper game behavior prior to the start of the season. Players appreciate positive, enthusiastic cheers from their families, friends, and all spectators. Cheer good plays by either team, just as you would those by your child. Screaming or negative comments is always counterproductive; it interferes with your coach's efforts and detracts from the fun. Allow your child to play his/her own game.

### **Choice of Field Side for Spectators**

The home team will have the choice of which side of the field to use. The visiting team will be on the opposite side of the field when space permits.

### **Disruptive Spectators**

Speak to the coach and then to the spectator. Point out the disruptive behavior and the possible consequences if it continues. Many times, parents get "caught up" in the excitement and don't realize how disruptive they have become. A friendly request to tone it down is usually all that is needed. However, according to our Rules of Play, "If a spectator fails to respond to a team official's request to desist from improper behavior, the referee is empowered to either eject the spectator(s) or terminate the match." In such event, a decision as to the disposition of the match and disciplinary action will be decided upon by a Disciplinary Committee appointed by the Board of Directors.

### **Disagreements with the Referee**

It is against the Laws of the Game to disagree with the referee's decision by word or action. We all disagree with the referee from time to time; after all, everyone can make mistakes. However, becoming upset and yelling at the referee is unsportsmanlike, illegal, and will get you removed from the sideline. Like our players, many of our referees are learning. If you feel the referee has erred, please contact the Director of Referees and discuss the matter with him. If you are not satisfied with the result, you may contact the Board in writing. But stop to consider: what would the game be like if you didn't have any referees at all? Are you ready to take the place of the referee you're complaining about?

### **Disciplinary Committee**

The Board of Directors may appoint a Disciplinary Committee, which has the responsibility for investigating, recording evidence, and taking or recommending action to the Board for any unsportsmanship like conduct by players, coaches, or spectators, which violates CYSA/FIFA, or WCCYSL Rules of Play or WCCYSL Policies. The Committee will be comprised of League members who will meet on an as-needed basis. Should you as a League member feel a disciplinary issue has occurred, please contact the Director of Teams for your child's age group who will take the necessary information and inform the Executive Board. Violent behavior should be reported directly to the Executive Board immediately.

### **Game Days**

Game days have traditionally been Saturday. In order to accommodate more players and to use fields more efficiently, the League may schedule some Sunday games as necessary. On game day, being on time requires players to be in uniform and on the field 15-30 minutes before game time. This allows time for warm-ups, team talk, player pass and equipment check by the referees, and the coin toss. Game day is the time for parents, grandparents, brothers, sisters, and friends to show their appreciation for the players' efforts.

### **Carpooling for Practices**

At the first team meeting (usually held as a "parents only" meeting by the coach before the first practice) you should make arrangements for car pooling. An example would be for one person to take the players to practice and another person to bring them home.

### **Unattended Players**

NO children will be left at the practice field unattended. The coach or team coordinator will either wait until someone comes or take the child home. (This should be discussed at the organizational meeting)

### **Glasses**

If your child wears corrective lenses, we recommend that he/she wear sturdy safety glasses (or sports glasses) and a strap that wraps around the player's head to prevent them from falling off during play. However, glasses are allowed in play under USYS and CYSA rules.

## Headguards

In Sept 2003, CYSA adopted FIFA's position on permitting modern, protective equipment. We recognize the importance of offering the safest environment possible for all of our players and protective headguards are something parents might consider for their child: "The Full90 Performance Headguard provides soccer players a heightened level of protection by reducing risks associated with head-to-head or head-to-foot contact, without affecting their style of play." Headguards are not required wear at this time.

## Field Usage Rules

We are considered guests at all fields since this league owns none. We must abide by all field rules, which include:

- NO dogs allowed on any field and not on the sidelines.
- NO alcohol and no smoking at any field
- Everything brought in must be taken off the field (no trash left behind)

## Bad Weather

Games are usually canceled or postponed if the field is in unplayable condition. WCCYSL follows a 24 hour rainout policy – if there is significant rain within 24 hours of game time, please watch for potential cancellation of the game. Game cancellations due to weather will posted on the league website, [www.wccysl.com](http://www.wccysl.com) and recorded on the hotline – 758-5288. You should show up for games and practices unless otherwise informed by your coach.

## WCCYSL MODIFIED RULES

FIFA Laws of the Game are modified for youth soccer and the rules change with each age group. Referees control the field while the coaches are expected to control their sidelines. All spectators must stay at least three (3) feet back along the touchline and no one is allowed behind the goal line. All coaches are to stay within 10 yards of the center line along the touchline (the Technical Zone). Many fields will have the technical zone marked. No one is permitted onto the field unless called on by the referee (and then only the coach and players). Good sportsmanship should be practiced and encouraged at all times. Positive words of encouragement are always appropriate. Cheer for your team but allow the coach to do the coaching so as not to confuse the players.

No jewelry or hard casts are permitted. Safety equipment such as soccer shoes and shin guards must be worn at all times with the shin guards covered by the athletes' socks. Substitutions are allowed at quarters, at halftime, prior to a throw-in by your team, prior to a goal kick and after a goal has been scored. Substitutions may be made after play has been stopped for an injured player by either team. All substitutions are made with the permission of the referee. On a kickoff, goal kick or free kick, the kicker may not touch the ball again until it is touched by a second player. The REFEREE'S DECISION IS FINAL in all cases.

If a team (Div 4 recreational play) is more than 5 goals ahead of an opposing team, adjustments to their line up MUST be made in the interest of good sportsmanship. "Blowouts" are NOT condoned.

#### **LAW NO. 1 - THE FIELD OF PLAY**

The field is longer than it is wide, varies in size depending on the age group, has a goal at each end, a center line, and a center circle.

#### **LAW NO. 2 - THE BALL**

A regulation ball shall be used of a size appropriate to the age of the players as stated above.

#### **LAW NO. 3 - NUMBER OF PLAYERS**

All players must be registered and have a player pass. The number of players (on the field during a game) varies according to age. An ejected player may not be replaced. Unlimited substitutions are allowed, WITH THE REFEREE'S PERMISSION, at the following times: Prior to a throw-in for your team, prior to a goal kick (either team), after a goal (either team), after the referee stops play due to an injury (either team), after the referee stops play to caution a player (cautioned player only), at halftime (or at quarters, if applicable) either team. Referee should be notified prior to substituting the Goalkeeper.

#### **LAW NO. 4 - PLAYERS' EQUIPMENT**

The uniform shall consist of a jersey, shorts, shin guards, calf socks, and soccer (cleated) shoes. The shin guards must be worn under the socks and be completely covered by the socks. The goalkeeper must wear a different color jersey than the rest of the team. **NOTHING POTENTIALLY DANGEROUS TO ANOTHER PLAYER MAY BE WORN.**

#### **LAW NO. 5 - THE REFEREE**

The referee is in charge of all game activity. It is the referee's job to keep the game clock, enforce the laws, and stop the game for injuries. They will refrain from penalizing in cases where they believe that awarding a penalty would give an advantage to the offending team. They can eject players from the field or eject coaches or spectators from the sidelines. **THEY CAN TERMINATE A GAME IF THEIR INSTRUCTIONS ARE NOT FOLLOWED. ALL DECISIONS OF REFEREES ARE FINAL!** Ejections and reports of dissent are subject to disciplinary action.

#### **LAW NO. 6 – ASSISTANT REFEREE**

Two assistant referees may assist the referee in calling out of bounds, offsides, and enforcing the Laws. They can be overruled by the referee. Dissent or disrespect to the Assistant Referee carries the same penalties as it does to the Referee.

#### **LAW NO. 7 - GAME DURATION**

The game length varies depending on the age. U-6, U-8 and U-10 games are divided into quarters; all others are divided into halves.

#### **LAW NO. 8 - START OF PLAY**

A kickoff shall start play at the beginning of the game, after halftime, and after each goal is scored. The ball is kicked from the center spot into the opponents' half of the field. The kicker may not touch the ball twice. A goal may be scored from a kickoff in U10 and older play.

#### **LAW NO. 9 - BALL IN AND OUT OF PLAY**

The ball is out of play when the entire ball is completely over the entire goal line (end line/ goal) or touchline (sideline) or when the referee stops the game.

#### **LAW NO. 10 - GOAL SCORING**

A goal is scored when the entire ball crosses the entire goal line between the posts and under the crossbar.

### **LAW NO. 11 - OFFSIDES**

A player is offside when he is in the opponent's half of the field AND closer to his opponents' goal line than the ball AND there are not two defenders (one may be the goalkeeper) between him and the goal line WHEN the ball is last kicked, AND he is involved in the play (now interpreted as "playing or touching the ball"). The referee will not call offside if the player receives the ball directly from a throw-in, a corner kick, a goal kick, or when it has been dropped by the referee. More information may be obtained from the Director of Referees or the WCCYSL website.

### **LAW NO. 15 - THROW IN**

After the entire ball passes over the entire touch line, the team opposite the team that last touched it shall restart play by throwing the ball in as follows: Both feet must be on or behind the line, touching the ground. **LAW NO. 17 - CORNER KICKS**

A corner kick is awarded to the offensive team when the defensive team puts the ball out of bounds over their own goal line but not into the goal. The ball is kicked from the corner nearest to where it went out of bounds. A goal can be scored directly; the kicker cannot touch the ball twice in a row. No one can be offside if receiving a ball directly from a corner kick.

For complete information on the Laws of the Game, please see the link on the WCCYSL website. FIFA issues interpretations of laws to clarify certain situations. Our referees are apprised of these interpretations at annual clinics and inservice meetings.

Law NO. 18 – DECISIONS OF THE REFEREE ARE FINAL! Despite any belief you may hold to the contrary, no disagreement with the judgement of the referee will ever be upheld in your favor. NO decision of an acting referee will be reversed based on a complaint from a coach or spectator – EVER! Any actions taken on the field or off to demonstrate dissent with a referee's call will be cause for disciplinary action by the Board of WCCYSL. If you believe a referee is continually in error, you may contact the Director of Referees to RESPECTFULLY request the referee be assessed by a mentor. Any such action is solely at the discretion of the Director of Referees.
