

WCCYSL

Rules for Artificial Turf Fields

There are a number of artificial turf fields that our league is allowed to use via use permits with the schools. Our continued use of these fields depends in large part on meeting our commitments to maintain these fields.

Currently, we use:

- ┆ Hercules High School
- ┆ Pinole Middle School
- ┆ De Anza High School

Please help us keep “our” fields!

In order to maintain the quality and safety of these fields we have adopted a number of rules regarding their use by all parties. **These rules will be strictly enforced.** There is a \$50 fine per violation. Individuals and even teams may lose their privilege to use the field if there is a pattern of repeated violations.

- ┆ NO sugared or colored drinks. **Water only!**
- ┆ NO candy, sunflower seeds, gum or food of any kind.
- ┆ NO alcoholic beverages.
- ┆ NO smoking.
- ┆ NO metal cleats on the field.
- ┆ NO cleats of any kind on the track. Spectators must stay off the track.
- ┆ NO chairs, umbrellas or staked canopies on the field or track.
- ┆ NO pets.
- ┆ NO garbage may be left behind!

Pick up all water bottles and other garbage when you leave!

Thank you very much for your cooperation,
WCCYSL Board of Directors
